Plot on Skadar Lake, first line. There is a pier for the ships on the route Virpazar - Rijeka Crnojevica. Allowed to build a house and auxiliary facilities. The area of the house was about 45-50 square meters around and on the pier there was a small cottage for travelers that had once been inscribed in the cadastre. There is a road from the village, there is a source that never dries off from which the water for the village is naturally and lakeshore, the electricity is in the village, and there is a power line, and now the current installation of solar energy is also actual.
