A three-storey house built in 2011 is located in Herceg Novi.

On the ground floor there is a garage for 3 cars, on the first floor: two apartments with separate entrances. In each one bedroom. It is possible to combine two apartments into one.

On the second floor: living room with kitchen, three bedrooms, bathroom and terrace.

Panoramic view of the sea and mountains. Urban services, television, internet, air conditioning are connected. On the plot grow fruit trees (lemon, orange, mandarin, figs, pomegranate, grapes, olive, etc.), and flowers. There are terraces for summer recreation and a utility room.
