The new complex under construction is located in the picturesque town of Tivat, Montenegro.

The apartments in the complex were created with love for details, providing all the amenities necessary for a comfortable life.

The modern architecture of the complex is designed so that every window offers a stunning view of the sea, the pine forest and the city.

Ideally located for a comfortable life in a quiet part of Tivat (Mrcevac), surrounded by a pine forest, 1 km from the beach.

You will enjoy the quality of life in the complex without city noise and convenient transport accessibility. The location creates a balance between tranquility and infrastructure.

In the immediate vicinity there are shops, restaurants, clean beaches and the extraordinary promenade of the most prestigious port in Europe - Porto Montenegro.

In addition, Tivat International Airport is located just 5 minutes from the complex.

By choosing Tivat for your new home, you open the door to the world of developed infrastructure of a modern resort, where every day will be filled with impressions and pleasure.

We offer one-, two- and three-room apartments from 64 to 120 m²

Investor offers apartments with complete finishing on a turnkey basis.

In the finishing process, only high-quality materials will be used, including natural stone for facades and public areas.

Air conditioners and bathroom equipment of premium brands guarantee comfort in your future home.

Planning solutions are developed taking into account the optimal organization of space.

The apartments are illuminated by daylight thanks to the favorable location of the building and the use of panoramic glazing. Each room has a view of the pine forest, the sea and the city.

The complex will be maintained by a professional maintenance agency.

Completion of the construction of the building is scheduled for December 2024.
